

Method Air - Heating, AC & Indoor Air Quality Solutions

Air Conditioning Services

We provide a comprehensive list of air conditioning services in Draper, UT. We are committed to ensuring your indoor environment is not only comfortable but also healthful and energy-efficient. Whether you are dealing with an AC breakdown or looking to upgrade your current system, we've got you covered.

Our suite of cooling solutions include:

- **Installation & Replacement:** We provide a broad range of installation and replacement services, including air conditioning systems, ductless mini-split systems, heat pumps, and thermostats. We also offer tailored solutions for new construction projects and commercial buildings, ensuring the best-fit system for your specific needs.
- **Repair & Maintenance:** Our team of expert technicians provides comprehensive repair and maintenance services, ensuring your air conditioning system performs optimally throughout its lifespan. This includes routine AC maintenance, air handler and evaporator coil services, AC refrigerant leak repair, and air duct repair.
- **Air Quality Improvement:** We prioritize your health with our indoor air quality improvement services. This involves filter replacements, installation of dehumidifiers and humidifiers, and implementing air cleaners and filtration systems. These services aim to enhance your indoor air quality by maintaining optimal humidity levels, providing consistent ventilation, and removing air pollutants.

Heating Services

In the midst of a biting winter, there's nothing more critical than a fully functioning heating system. Here at Method Air, we deliver comprehensive, professional heating services across Draper, UT, and the surrounding areas. A celebrated heating contractor, we're renowned for our quality services that encompass an extensive range of heating solutions.

Our expertly trained team is always on hand to assist you with a variety of heating and furnace needs, such as:

- **24 Hour Emergency Service:** Our dedicated technicians are always ready to address your heating emergencies.
- **Heater and Furnace Repair & Maintenance:** Keep your systems functioning optimally with our meticulous repair and maintenance services.
- **Heater and Furnace Installation & Replacement:** We install and replace heating systems, ensuring you're never left in the cold.
- **Gas Log Fireplaces, Heat Pump Services, Ductless Mini Split Systems:** Comprehensive solutions tailored to your specific heating requirements.
- **Filter Replacements and Thermostats:** We help you maintain indoor air quality and temperature control for a comfortable environment.
- **New Construction and Commercial Services:** We provide a full range of heating services for new building projects and commercial premises.

Preventative Maintenance

Protect your investment and avoid emergency HVAC breakdowns when you become a Method Maintenance Plan member!

If you're a proactive homeowner, you probably prefer to prevent HVAC problems rather than dealing with the surprise and inconvenience of emergency breakdowns. At Method Air, we understand the struggle! As homeowners ourselves, we know how much work goes into maintaining a home and all of the equipment within it.

That's exactly why we created our Method Memberships: to help make your life easier and save you money in the long run. As a member, you'll enjoy scheduled HVAC maintenance to prevent problems before they become more expensive issues. Plus, you'll enjoy other benefits like priority service and exclusive discounts!
